

# Produce Series

## Carrots

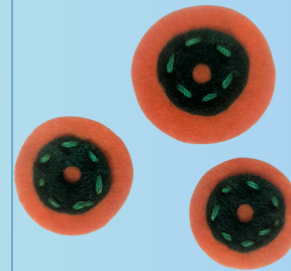

### Staying Safe

- Always handle needles with care—they're sharp and should be treated gently.
- Take your time with each stitch. There's no need to rush!
- If you have a thimble, wear it to protect your fingertips while sewing.
- Keep needles away from little kids, pets, and bare feet.
- When you're done sewing, store your needle safely in its case or pin cushion.
- If a needle breaks, look around carefully and throw away all the broken pieces right away.
- If you accidentally poke your skin, gently clean the spot and put on a bandage.
- These felt treats are just for fun and decoration—not for small children to play with.
- If your project gets a little messy, gently clean it with a damp cloth and warm water.
- Never put your felt creations in the washing machine—it can ruin the fabric.
- The supplies in this kit are made just for felt—please don't use them on other materials.

# Included In Your Carrots Kit

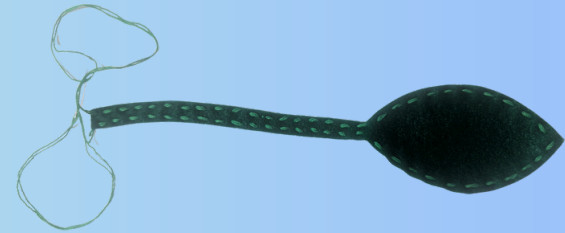

- 3 Carrots
- Stuffing
- Thread
- 3 Sewing Needles
- Needle Threader

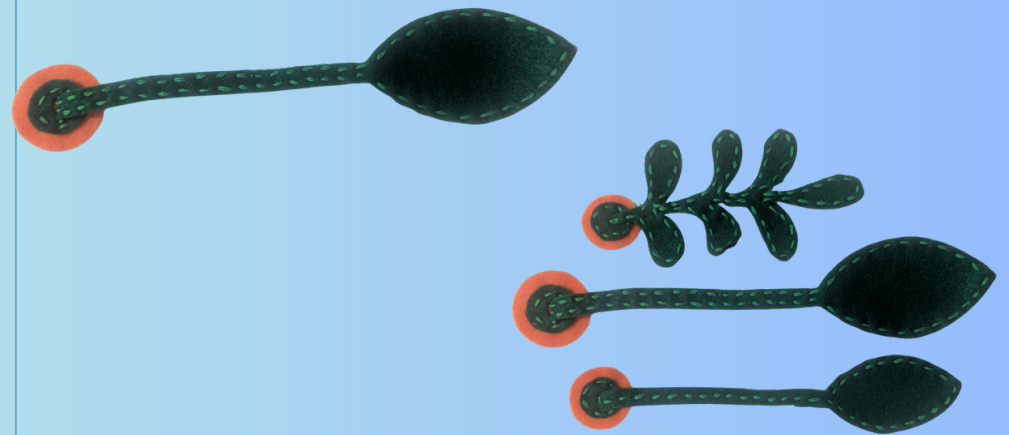

Add a green circle to the corresponding orange circle.

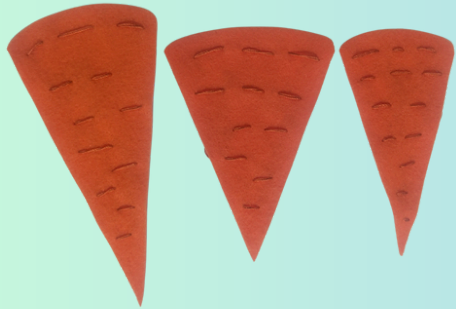

Sew them together using a running stitch and green thread.

Using green thread, sew a running stitch around each leaf.

Attach each leaf to the center of a circle.

Using orange thread;  
Running stitch details onto each carrot.

Fold each carrot in half and blanket stitch along  
the side using orange thread.

Add stuffing.

Blanket stitch the top circle in place.
