

# Produce Series

## Lettuce

### Staying Safe

- Always handle needles with care—they're sharp and should be treated gently.
- Take your time with each stitch. There's no need to rush!
- If you have a thimble, wear it to protect your fingertips while sewing.
- Keep needles away from little kids, pets, and bare feet.
- When you're done sewing, store your needle safely in its case or pin cushion.
- If a needle breaks, look around carefully and throw away all the broken pieces right away.
- If you accidentally poke your skin, gently clean the spot and put on a bandage.
- These felt treats are just for fun and decoration—not for small children to play with.
- If your project gets a little messy, gently clean it with a damp cloth and warm water.
- Never put your felt creations in the washing machine—it can ruin the fabric.
- The supplies in this kit are made just for felt—please don't use them on other materials.

# Included In Your Lettuce Kit

- 1 Head of Lettuce
- Stuffing
- Thread
- 3 Sewing Needles
- Needle Threader

Sew a running stitch along the edge of the circle.

Pull the thread tight to close the circle about  $\frac{3}{4}$  of the way.

Add Stuffing

Pull the running stitch tight to close.

Optional: Attach the Velcro piece to the bottom.

Using a running stitch, add vein details to each leaf.

Blanket stitch around each leaf, pulling your stitches tight to create a gentle curve in the felt.
