

Produce Series

Mandarin Oranges

Staying Safe

- Always handle needles with care—they're sharp and should be treated gently.
- Take your time with each stitch. There's no need to rush!
- If you have a thimble, wear it to protect your fingertips while sewing.
- Keep needles away from little kids, pets, and bare feet.
- When you're done sewing, store your needle safely in its case or pin cushion.
- If a needle breaks, look around carefully and throw away all the broken pieces right away.
- If you accidentally poke your skin, gently clean the spot and put on a bandage.
- These felt treats are just for fun and decoration—not for small children to play with.
- If your project gets a little messy, gently clean it with a damp cloth and warm water.
- Never put your felt creations in the washing machine—it can ruin the fabric.
- The supplies in this kit are made just for felt—please don't use them on other materials.

Included In Your Mandarin Oranges Kit

10 Mandarin Oranges
Stuffing

Thread
3 Sewing Needles
Needle Threader

On each orange piece, stitch seeds to one side using a single stitch.

Make sure the seeds are on opposite sides when you match the two pieces.

Put the two pieces together and blanket stitch all the way around.

Add stuffing before closing.
