Sliced Strawberries

Staying Safe

- Always handle needles with care—they're sharp and should be treated gently.
- Take your time with each stitch. There's no need to rush!
- If you have a thimble, wear it to protect your fingertips while sewing.
- Keep needles away from little kids, pets, and bare feet.
- When you're done sewing, store your needle safely in its case or pin cushion.
- If a needle breaks, look around carefully and throw away all the broken pieces right away.
- If you accidentally poke your skin, gently clean the spot and put on a bandage.
- These felt treats are just for fun and decoration—not for small children to play with.
- If your project gets a little messy, gently clean it with a damp cloth and warm water.
- Never put your felt creations in the washing machine—it can ruin the fabric.
- The supplies in this kit are made just for felt—please don't use them on other materials.

Included In Your

Sliced Strawberries Kit

- 8 Strawberry Slices
- Thread
- Stuffing
- 3 sewing needles

TIP: Each strawberry piece will be placed back to back. Sew the tops on opposite sides.

Using white thread stitch the white heart onto the pink one.

Using red thread stitch the pink heart onto the red one.

Using red thread stitch the pink heart onto the red one.

Using white thread; running stitch down the middle of the red strip.

Using red thread; blanket stitch the red strip onto the strawberry.

Blanket stitch the side seam.

Add a second strawberry piece to the back and blanket stitch on adding stuffing before closing.
