HALLOWEEN COOKIES

INSTRUCTIONS

Staying Safe

- Always handle needles with care — they are sharp and should be treated gently.
 - Take your time with each stitch. There's no need to rush.
 - If you have a thimble, wear it to protect your fingertips while sewing.
 - Keep needles away from small children, pets, and bare feet.
 - When finished sewing, store your needle safely in its case or a pin cushion.
 - If a needle breaks, carefully locate and dispose of all pieces right away.
 - If you accidentally poke your skin, clean the area and apply a bandage.
 - These felt pieces are intended for decorative/play use only.
 - Gently spot clean with a damp cloth if needed.
 - Do not machine wash — it may damage the fabric.
